why WLS

Green

A recognized pioneer in sustainable landscaping, we use green technology and native plants to conserve energy and the environment.

Local

We partner with local vendors and use products made in the USA, so our landscaping projects benefit the local economy.

Value

We offer the personalized attention that only a boutique company can provide, so you receive the best landscaping for the best value.

greening landscapes and beautifying
communities since 1987

Seasonal Interiors & Décor

for commercial properties
in VA, DC & MD

what we do

Design.
Install.
Maintain.
